LazerXTech

<https://www.lazerxtech.com/>

We are a leading business entity, engaged in Manufacturer, Exporter, Importer and Traders a range of Quad Skates Packages, Skate Accessories, Roller Skate and Equipment, Inline Skate Accessories and Equipment, etc. to our valued clients.

About Us

Established in the year **2008**, we, **LAZER X TECH**, are engaged in the sphere of **Manufacturer, Exporter, Importer and Traders** a range of Skates, Associated Accessories and Related Products. Our range **includes Quad Skates Packages, Inline Skates Wheel, Skate Boot, Inline Skate Frames, Skate Bearings, Skin Suits, Skate Bags, Skate Accessories, Ionic Flux Black Bearing Oil, Collagen Peptide, Hydration Product, Inline Hockey Sticks, Cycling Helmet, Allen Key With Bearing Puller, Inline Skates Shoes and Plastic Skateboards.**

The entire range is manufactured by using quality raw material under the supervision of expert quality controllers, who ensure that no defected product goes out of the manufacturing unit. Being a quality conscious organization, we manufacture products in accordance with various international quality parameters. We use sophisticated machines so that we can meet the strict delivery schedules within the stipulated period. Further, to suit the varied requirements of the clients, we can also offer the customized range of our Skates, Associated Accessories and Related Products.

Under the able guidance of our owner, **Mr. Rahul Ramesh Rane**, who has more than 26 years of experience of this industry, we have achieved new heights of success. He has himself been champion for several times and paved the way for the entire organization.
